## Marzano's High Yield Strategies Training Series

For middle and high school teachers  
working to use instructional strategies  
that impact student achievement

*Serving Holmes, Stark, and Wayne Counties*

## Series Description

This training series is designed for district teachers who are working to implement teaching strategies that have positive effects on student learning. The series consists of five full day sessions.

Content includes:

- Day 1  
Overview of the Nine Strategies  
Setting Objectives and Providing Feedback
- Day 2  
Reinforcing Effort and Providing Recognition  
Cooperative Learning
- Day 3  
Nonlinguistic Representations  
Cues, Questions, and Advance Organizers
- Day 4  
Identifying Similarities and Differences  
Summarizing and Note Taking
- Day 5  
Generating and Testing Hypotheses  
Homework and Practice

## Training Dates

September 15, 2011      January 19, 2012  
October 6, 2011        February 9, 2012  
November 10, 2011

*Snow date March 1, 2012*

Registration begins at 8:00. Training is 8:30 – 3:30.  
Lunch is one hour. Participants may brown-bag or go to an area restaurant.

## Series Design

For systematic implementation of Marzano's High Yield Strategies, this series provides teachers the research that supports the high yield strategies and provides a linkage between the nine strategies and effective instructional practices.

Participants may include:

Core Content Teachers  
Intervention Specialists  
Foreign Language Teachers

**All participants must commit to attending the entire training series.**

*SST-9 will provide substitute reimbursement for up to three teachers per school. Maximum substitute teacher rate is \$100.00 per teacher per day.*

This document/product/software was supported in whole or in part by the U.S. Department of Education, Office of Special Education Programs, (Award #Q27A090111A, CFDA 84.027A, awarded to the Ohio Department of Education). The opinions expressed herein do not necessarily reflect the policy or position of the U.S. Department of Education, Office of Special Education Programs, and no official endorsement by the Department should be inferred.

## Series Benefits

In addition to training and ongoing support from SST-9, each participant will receive a training notebook, a text, and a certificate of completion for contact hours. There is no cost to the participants.

**Graduate credit for one or two hours will be available for the cost of \$ 145 per hour. Registration will occur at the first session.**

## Participant Expectations

In addition to attendance and participation in all sessions, participants will be expected to complete assignments between sessions.

Assignments will be to:

- Utilize the Text
- Implement Strategies in the Classroom
- Complete a Reflection
- Share Student Work Samples
